Description

Musto has made our Essential Sailing Gloves even better for the new season, improving fit and functionality to make them a must-have on deck. Articulated fingers and an elasticated back allow you to retain full freedom of movement at all times, while tough Amara reinforcement increases durability in key areas. Easy pull-on wrist tabs mean you won't struggle to remove or put on your gloves, even when your hands are cold or wet.

Composition: 30% Polyamide, 30% Polyester, 40% Polyurethane+

Features:

- Hard wearing easy grip Amara reinforcement to palms and fingers, improving grip and durability

- Ergonomic finger articulation for full freedom of movement
- Elasticated back of hand allows superior flexibility
- Velcro-secured wrist strap for superior fit
- Abrasion-resistant stitching prolongs garment life
- Velcro fastened pull-on tab for ease of donning/removal
