### Description

The Astral Brewer combines the stickiest G@Rubber outsole, balanced geometry midsole, and hydrophobic Canvas uppers that drain water and dry fast. The unique Lilo™ construction reduces weight while increasing flexibility. All the details add up to create the ultimate outdoor sneaker.

### Features:

- Intended Use: Water, Trail, Casual, Travel, Boat
- Uppers: Hydrophobic PES Canvas with Airmesh at vamp and tongue; Foldable Heel has a slit for sand drainage; 210D nylon liner. 2 sets (different colors) water resistant laces provided.
- Midsole: Balanced Geometry EVA foam with drainage ports at forefoot.
- Outsole: Granite Grip high surface-contact, siped, and non-marking. Made with G.ss rubber (our stickiest compound).
- Foot to Ground Distance: 17mm heel, 16mm ball
- Weight/shoe: 230g (8.11 oz)
