Description

From mountain trailheads to morning yoga practice, our 24 oz Standard Mouth Bottle makes it easy to stay hydrated before or after invigorating activity. Our largest Standard Mouth available, it's designed with professional-grade stainless steel and TempShield™ double wall insulation to keep your water refreshingly ice cold for up to 24 hours. And, thanks to the sweat-free finish, your Hydro Flask bottle is guaranteed to stay dry even during big swings in the outside air temperature.

Features:

- Largest standard mouth option available
- Ideal for pairing with our Sport Cap for one-handed refreshment
- TempShield™ Protected
- Keeps cold up to 24 hours
- Keeps hot up to 12hours
- Sweat-free thanks to our insulation, eliminating bottle condensation
- Hydro Flask unique powder coat adds slip-free grip and extra durability
- 18/8 Pro Grade Stainless Steel
- BPA-Free and Phthalate-Free
- ifetime Warranty
- Comes equipped with Standard Mouth Flex Cap
