Description

Original telsekopic Tiller Extension for Seascape / First 18 and 24

Firm Grip, Precision Control – Ronstan Batlestick[™] tiller extensions provide the highest level of control, for quick, decisive helm response in every situation. The Evalon[®] Grip is a firm non-slip grip material that does not absorb water. End knob for safety and positive hand positioning. Large grip diameter contrasts erganomically with mainsheet diameter to relieve fatigue. Tubes have a black anodised finish for corrosion protection. Urethane Universal Joint provides smooth, uniform rotation in all directions and a quick, firm reponse to steering movements.
