### Description

The GORE-TEX® Ocean Racer Boot: made for the harshest conditions. For complete waterproof protection and optimal breathability, the boot features the toughest GORE-TEX® footwear membrane available. The CORDURA® upper and gaiter ensures outstanding durability. Areas prone to abrasion damage have also been reinforced with scratch rubber for complete protection. GripDeck rubber and a GripFlex tread to

supplies exceptional, multi-directional traction on deck. And a unique DynamicFit bellowed tongue and bungee lacing system provides a locked-down, comfort fit.

### Features:

- GORE-TEX membrane for complete waterproof protection and exceptional breathability
- XPL water drainage in the side of the gaiter to allow water to escape
- Grip Flex multi-directional outsole grip for exceptional grip on wet surfaces
- A Grip Deck sole with a sticky rubber compound for sure grip on wet surfaces - non-marking
- The CORDURA® gaiter is incredibly durable, lightweight and adjusts at the back to keep water out
- EVA midsole, footbed and ankle protectors provide impact protection, comfort and support
- Microsiped outsole pods for lateral grip in wet conditions
- An elastic bungee on the gaiter provides a secure, adjustable fit
- Rubber on the forefoot provides protection and added durability
