Description

Dubarry's award-winning, original waterproof, leather sailing boots. These boots feature GORE-TEX technology to keep you dry and warm

making them the ideal sailing boots. As well as being functional these boots can be worn alongside our range of sailing clothing and foul weather gear.

Features:

- Dubarry's original award-winning sailing boot •An expandable section of Lycra® has been incorporated into the boot to facilitate both the average and the above average calf measurements
- Warm GORE-TEX® lining that wicks perspiration away from the foot
- Brass rust proof emblem
- New sporty moulded rubber branding inserted to centre leg band
- Made from the highest quality water resistant leather combined with hard wearing Cordura®
- Duo compound PU and Rubber sole which is directly inject moulded onto the upper
- Dubarry's award-winning non-slip non marking outsole design
