Description

Now with GLO-LITE technology

The Jonbuoy Inflatable Rescue Sling is specifically designed for the quick and easy recovery of a water borne casualty. Packing neatly into an easily stowable soft or hard case, the versatile fitting allows it to be attached to any suitable boat or land based fixture. The pouch weight allows an accurate throw to the casualty of up to 30 metres. Upon contact with the water the sling automatically inflates and comes with retro reflective tape and automatic light as standard. Safe working load of 175kg.
