Description

The only thing more beautiful than a perfect day on the water is knowing you're ready for any imperfections. The Skipper pocket knife is like a crew in your hand, combining typical Victorinox functionality with sailing-specific tools like a shackle opener and a marlin spike. So you're always ready for knots that mock you and shackles that refuse to let go.

Features:

- large blade with wavy edge
- bottle opener
- screwdriver 5 mm, lockable
- wire stripper
- shackle opener
- marlin spike

- can opener
- screwdriver 3 mm
- reamer, punch
- corkscrew
- Phillips screwdriver 1/2
- pliers
- wire cutter
- wire crimping tool
