Description

Approved according to ISO 9650-2, this coastal liferaft includes all you need for coastal or inland sailing near rescue points. Easy to transport and fit on board.

Features:

- Type: Basic coastal yachting liferaft
- Colour: Fluorescent yellow canopy and ballast bags for enhanced visibility from a greater distance
Black buoyancy compartments
- Sizes: 6 persons

- Materials: natural rubber and acrylic/silicon coated nylon
- Ballast bags: 4 large quick filling bags - each containing 60 litres – for maximum stability
- Retro-reflective tape: Fitted with SOLAS high-visibility retro-reflective tape on canopy, sides, bottom and buoyancy compartments
- Lights: Automatic exterior strobe light and interior light
- Special features:
 - Automatically inflating canopy - also designed for extra seating height
 - Boarding ramp for easy access
 - Two openings: one large, one small secured with over-size, easy-slide zippers - Internal and external lifelines
 - Two storage pockets
 - Approved for inflation in 0 °C to +65 °C
- Equipped with a basic coastal emergency pack (ISO 9650-2)
- Storage options: Packed in a handy water resistant valise or a compact and sturdy fibre glass container that can be mounted directly on the push pit or rail
- Main areas of application: Coastal sailing and fishing
- Approval: The RescYou™ liferaft meets or exceeds the required ISO 9650-2 standards
