Description

Combining neoprene and spandex features for ultimate performance and comfort, Taura™ is a range of waterwear cut and designed for female paddle professionals. Engineered specifically for women, the Taura™ range combines contemporary shapes with high performance, water friendly materials for superior performance on or in the water. Taura® bottoms feature a seamless seat panel with extra lining means more comfort when out paddling. The sleek low profile waistband fits comfortably and securely. The front panel is also lined. The side pocket has a secure and stretchy opening allowing easy access and no fiddly zippers. Perfect for paddling, SUP and all seated watercraft.

Features:

- Seamless seat panel
- Smooth low profile waistband
- Secure zipperless pocket
- Tailored fit for women
- Low irritation flatlock
- Stitching is both smooth, stretchy and strong
- UPF 50+ Spandex
