Description

The NEW Kru Sport Pro ADV is ideal for powerboating, offshore and & ocean sailing.

The jacket includes a mesh back, scoop neck design, and a neoprene soft comfort neck, increasing breathability and maximising comfort, allowing for long use.

Fitted with a harness, sprayhood, lifejacket light, single crotch strap, dual soft loop harness points, reflective piping and kill cord loops, this lifejacket has everything you need.

The Sport Pro 170N ADV has been designed with Wave Barrier technology:

- Wave Barrier technology delivers sub 5 second super-fast turn speed
- The wearer is placed on their back keeping airways raised above water
- The interlocking bladder blocks the flow of water into the wearers airways, massively reducing the risk of secondary drowning

Features:

- Sprayhood
- Lifejacket light
- Scoop back neck design for increased comfort
- Easy dual pull forward side adjustment
- Pro sensor with indicator window
- Soft loop harness points for safety harness
- Storage pocket
- Single crotch strap eliminating ride-up
- Kill cord loops
- Single bladder with 33g gas cylinder
- 'Wave barrier' technology helps keep airways clear
