Description

Constructed in a 3-layer GORE-TEX® PRO laminate which is custom engineered for MUSTO, the MPX Trousers deliver durable, waterproof and breathable protection for prolonged offshore sailing. A true favourite of offshore sailors, the hardwearing and protective hi-fit trousers are strategically reinforced with CORDURA® to maximise longevity. Fleece-lined handwarmer pockets on the chest keep hands warm when the cold sets in and a practical thigh pocket with a water deflecting closure offers easy, secure access to necessary equipment. Articulated knees and seat allow maximum freedom of movement for every active offshore sailing adventure.
