Description

Extremely light **black aluminium** handles in

Three different grips are available: **single**, **double** and the new **ball-grip**. The grip is covered with rubber to give a firm hold and runs on two ball bearings to increase its efficiency (single-grip and ball-grip only). All the models are available with or without the lock system which automatically locks the handle on the winch. To refer to the no-lock version add **NL** to the code.
