Description

Experience the best sailing you've ever had or start building your sailing pedigree aboard one of Europe's fastest growing sailing classes. The Seascape18 was born from singlehanded ocean racing experience and rethought to deliver the same sensations on a tame, accessible, easy to handle sailing boat. With almost 300 boats sold worldwide and the title of European Yacht of the Year 2010, Seascape18 is as versatile as it gets, successfully combining more aspects of sailing than any other boat of its size.
